

360on62 Farm Cottages

Pet Policy and Agreement

By bringing any pet onto our property, you agree to this Pet Policy and accept full responsibility for your pet at all times.

1) Permission (before arrival)

- Pets are welcome at no extra cost (subject to exceptions below) **only with prior written approval** from 360on62 management.
- Email info@360on62.co.za with:
 - Confirmation that you've read and will abide by this policy;
 - Confirmation your pet is **house-trained** and **non-aggressive**;
 - Whether your pet **sheds heavily** (to determine if the **R300 cleaning fee** applies).

2) Where pets may go & supervision

- Pets are welcome **inside cottages** and to **explore the farm under supervision**.
- This is a working farm with natural risks (pool, dam, snakes, birds of prey). Supervise pets to protect them, other guests, and animals.

3) Limits & behaviour

- **Maximum 2 pets per cottage.**
- Pets must be **house-trained** and **tame/non-aggressive**.
- Keep pets **off furniture**, unless you bring your **own sheets/covers**.
- Pets must be **tick- and flea-free** on arrival.
- Use a **leash** if you are unsure of your pet's behaviour around chickens, wildlife, other pets, or between the **pool lapa** and the **farm gate** (where chickens roam).
- **No pets in hot tubs / splash pools.**

4) Owner responsibilities

- Bring **pet blankets and bowls**.
- **Clean up after your pet** in shared areas and inside units, removing all residue and odours. We provide some scoopers on the property and some bags — please also bring your own bags.
- **Do not leave pets unattended** in units or on the farm, **except** in a **fenced garden** of a unit. If a left pet causes a nuisance (e.g., ongoing barking/howling), management may require you to **return immediately**.
- In fenced units, keep **gates closed** whenever the pet is not actively supervised.
- You accept **full responsibility and liability** for:
 - any **harm to your pet**;
 - any **damage or harm caused by your pet** to property, people, or animals.

5) Fees, damages & fines

- **Cleaning fee (R300)** may be charged:
 - after checkout if there is significant pet hair on carpets, furniture, or linen; or
 - in advance for **heavy-shedding breeds** (e.g., German Shepherd, Labrador, Golden Retriever, Chow Chow, Old English Sheepdog, Saint Bernard, Husky, similar), as these typically require extra cleaning time and may force us to close a unit for deep-cleaning.
- **Damage/extra-service charges** may apply where rules are not followed, including:
 - disposal of blankets saturated with hair,
 - damaged hot-tub filters or extra hot-tub cleaning or replacement of large volumes of water, or
 - any other pet-related damage/costs.
- **Fine (R1,000)** if your pet **harms or kills a chicken**. Our chickens are pets that we raise and care for.

6) Indemnity & liability

- Owners of 360on62 Mountain View Farm Cottages accept **no responsibility** for any harm to pets.
- Guests and pet owners **indemnify and hold harmless** the owners and accommodation from any **liability** arising from bringing pets onto the property.

7) Enforcement

- Management may instruct pet owners to **vacate the premises at any time** for breaches of this policy. If so, guests will leave **without recourse or reimbursement**.

Questions or concerns? Please email info@360on62.co.za.

We look forward to hosting you and your pets.
